Devlin F.

Sobriety Date: 08/01/1991

Homegroup: Unscripted Men's

My first AA meeting was New Beginnings in Davine in 1991. I was a regular attendee of the Friday Nite Young People's meeting for 10 years and have recently committed to regularly attending the meeting again. I have attended Road Runners off and on for 20 years. I also attend Friday night Room 7 (old People's) and Sunday Last Call from time to time. I attended the DDSM monthly for the first 4 years of my sobriety. I am currently the Danville Fellowship Steering Committee Chairperson. I am an active member in the Danville Fellowship area. I have made myself available for secretary of the DDSM and I understand the time commitment needed and the role for this position. I would like to help continue the long-standing customs that this meeting has provided the area for the last 50 years. I would like the opportunity so that I can help facilitate a space for people to get engaged and reinvolved with AA in the local area. I know many people that are willing and ready to assist the committee for this meeting.

Renee A.

I love doing committee service work and have many years' experience chairing committees in AA. I moved to Tri- Valley 3 years ago but have been going to meetings in Danville since the early 2000's and would be honored to chair the DDSM meeting.
